Inventors Congress

In cooperation with Commerce's Office of Inventions and Innovations, National Bureau of Standards, and the Patent Office, the fifth Florida Industries Exposition Inventors Congress is to be held in Orlando, Fla., April 20-23, 1971.

The Congress is held concurrently with the four-day Exposition which draws a yearly attendance of 75,000 businessmen from many U.S. states and foreign countries. All inventions entered must have a patent or patent pending.

Highlight of the Congress again will be the Inventors Awards Luncheon at which cash prizes will be presented to winning entries selected by judges representing the engineering, manufacturing, and invention fields.
